The following revision has been incorporated in both the English unit Standard Input SI2001E1 and Metric unit Standard Input SI2001M1 as of November 28, 2005:

**SECTION 101 - GENERAL INFORMATION**

**101.01 General.**

THE FIRST PARAGRAPH IS CHANGED TO:

Pursuant to NJSA 27:1B-21.6 and USC (United States Code) Section 115, the Commissioner intends to enter into an advanced construction contract for the advancement of the Project. Although the advanced construction contract will pledge funds anticipated to be appropriated for the Project by the Legislature, payment of the moneys pledged is subject to the availability of funds in the fiscal year (FY) in which the funds are to be appropriated. Only amounts appropriated by law may be expended.

**Implementation Code R (ROUTINE)**

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
